

HARNESS THE POWER OF YOUR TEAM

Enhance Your Meetings and Trainings with Experiential Activities

Escape the confines of the workplace and offer your team a refreshing and challenging meeting environment at Main Stay Therapeutic Farm. Let our Equine and Animal Assisted Facilitators create a unique experiential learning opportunity outside the traditional office setting.

Main Stay will provide meeting space and enhance your training by engaging your team in customized activities that partner with horses and farm animals at our state-of-the-art equestrian facility located on 40 acres of serene open land.

- Strategic Planning Meeting
- Staff / Board Retreat
- Leadership Training
- Organization-Wide Training

"Main Stay's team building activities challenged our key leaders to consider alternative ways of communicating and problem solving. We're excited to begin utilizing these new strategies not only with each other, but also with the rest of our team. "

-Trevor Henry, Director of Operations, Watlow Electric
