*Main Stay's mission is to enrich mind, body and spirit through powerful connections with horses, animals and nature.*

*"Having few outlets for recreation or skill building, 2020 has been exceptionally difficult on me. When I was able to resume riding, I started to regain skills I had lost during a 60 day lock down. Thank you so much for the wonderful program, outstanding instructors and incredible volunteers." - Abby, rider*

*"I love the farm because I feel like it is an escape from reality for one hour every Tuesday and Thursday each week. I also love the farm because it helps me breathe gently. My favorite activity that we did was when we went to the arena and wrote an adventure story." - Marion, student*
